

2010-11 Dodge Ram 2500/3500 factory lower control arm

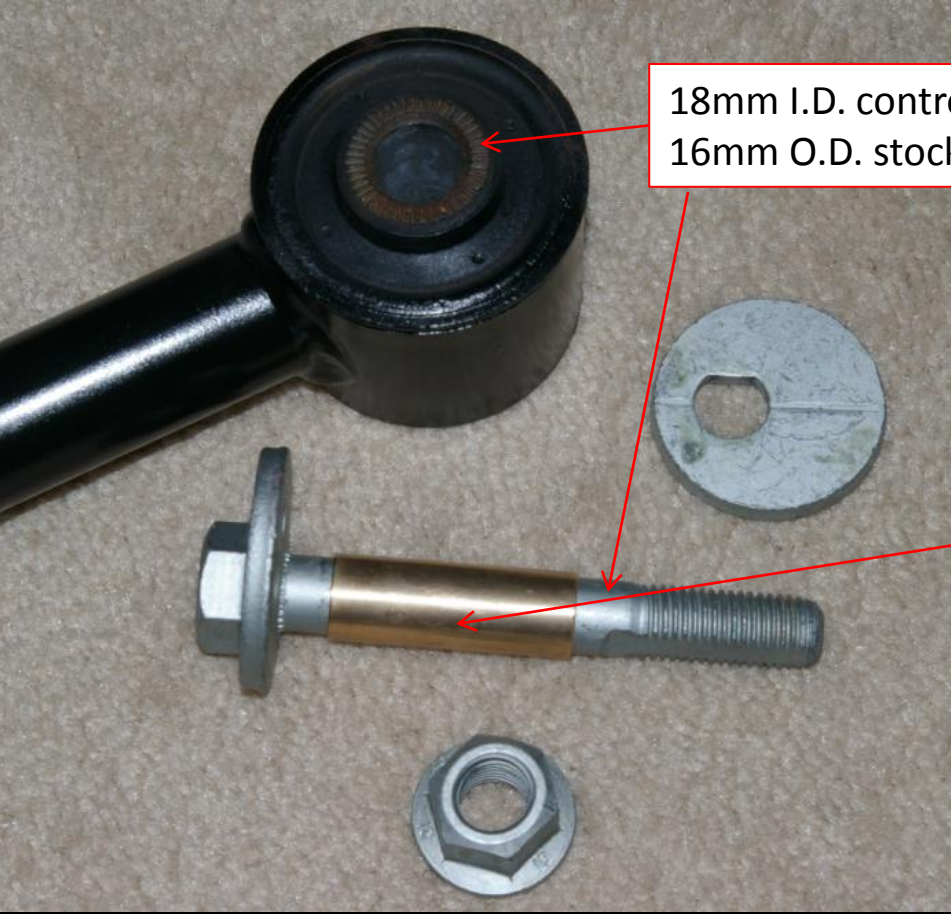

18mm I.D.

16mm I.D.

Front of Truck

2003-2009 Dodge Ram 2500/3500 factory lower control arm cam bolts

Replacing 2003-2009 stock stamped lower control arm with the Stronger 2010-2011 Tubular steel versions.

18mm I.D. control arm front of truck (2010-2011 use 18mm cam bolts)
16mm O.D. stock 2003-2009 cam bolt

2003-2009 cam bolt kit available at
8lugtruckgear.com
\$40.00 for a set

Precision cast bronze metric sleeve bearing
18mm O.D. x 16mm I.D. x 50mm long.
Off-the-shelf solution. No custom machined parts

Perfect slip fit. Use a small piece of tape to
snug up inside LCA I.D.
At 50mm's long you'll need to center it inside
the I.D. Longer sleeve's would be a custom
part

Stock part PN: ZMB-1618-50 \$14.70each
