## 3<sup>rd</sup> Annual Claremont

# VADTR Diesel Truck Round-Up

The Virginia Diesel Truck Resource Chapter #7 would like to invite you to join us for two days of fun and fellowship with other owners of diesel-powered pickup trucks.

*(However, everyone will be welcome!)*

Once again, the Claremont Volunteer Fire Department has offered us the use of their grounds at the firehouse, located on Rt. 646 in Spring Grove, VA to host this event.

All proceeds from any raffles will be donated entirely to the CVFD as a "Thank You".

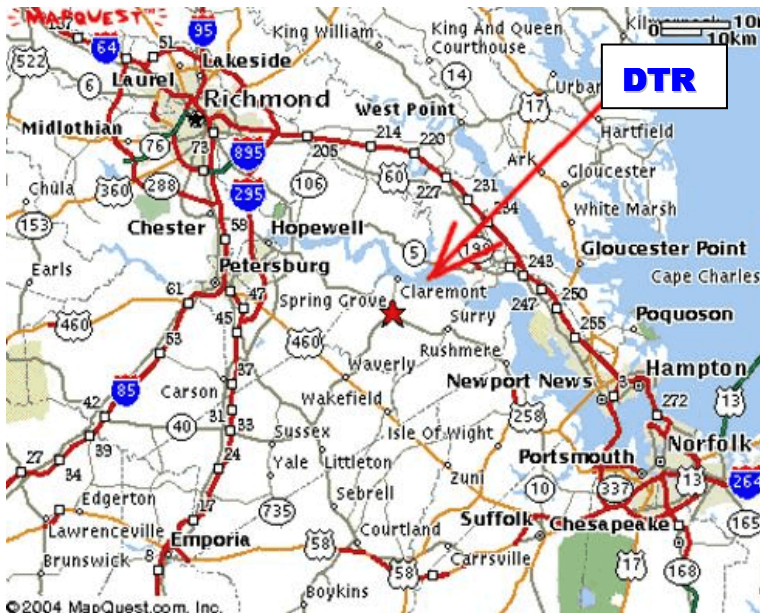

**ADMISSION IS FREE - NO CHARGE TO LOOK, LISTEN OR SMELL THE HORSEPOWER!**

\*Diesel Performance Motorsports will be there with their portable Dyno to settle any claims of "Who (Dodge/Ford/GM) or What (Diesel or Gas)" has the most

**### HORSEPOWER and TORQUE ###**

(Bring your Truck, Car or Hot Rod and see what kind of numbers you can run. (Normal dyno fee applies))

*Come and see one of our VADTR members turn 600+ HP with his "Twin Turbo" Daily Driver RAM on #2 only!*

There will be an area to park RV's and campers overnight. However **NO hook-ups** will be available. There will be provisions for doing light maintenance jobs (*air compressor, hand tools, jacks & jack stands, etc.*). Feel free to bring a grill or a covered dish. For more information, please check the **3<sup>rd</sup> Annual Claremont Roundup** post under the **Natl. and Regional Chapters / Special Events** section on our website -----
