Attention all diesel enthusiasts!

**You are invited to our annual
spring dyno day & barbecue!**

**Spring Fling is a two day event to give everyone a chance on the
"Humbler" to shake off their winter cobwebs and spring pollen.**

**This is a bragging rights, drag your knuckles on the ground, outlaw-style
roll. All is fair in love and war. You come in, strap down, let the numbers
fly and may the best man or woman, Ford, Dodge or Chevy be the top dog.
So who can or will lay the smack down and win bragging rights?**

The Rules

- 1. Stack owners must drop their flex pipes or risk scratches.**
- 2. Duallie owners must remove the outside wheels.**
- 3. The show goes on, rain or shine.**
- 4. Bring food to share!**

Curtis Rice Memorial Bracket Shootout

**Donate \$10 to the Denton Rice college fund ♥ Guess your
HP before rolling ♥ Closest and second closest guesses win
plaques ♥ Torque Tie-breaker**
